DAYS 1-3

Athens: beauty in the details

Three nights at The Dolli

DAY 1

A graceful beginning

After your airport welcome, continue to The Dolli in the historic heart of Athens. Behind its mansion facade, art and elegant interiors create an intimate atmosphere. Settle in and leave time for yourself: a city stroll or an evening on the rooftop overlooking the Acropolis.

DAY 2

An extraordinary encounter with the Acropolis

Discover the historic neighbourhoods and architecture of Athens. In the evening, enjoy an exclusive visit to the Acropolis with our finest licensed guide. Soft light on the marble of the Parthenon and the city unfolding below create a memorable setting. Continue with dinner overlooking the illuminated Acropolis if you wish; we arrange the reservation, with dinner paid separately.

DAY 3

Thermal waters and sunset at Sounion

Spend the first part of the day at Lake Vouliagmeni, where thermal waters and dramatic cliffs create a distinctive setting for unhurried relaxation. A lakeside cabana is reserved for you. For lunch, we recommend **abraOvata**, serving contemporary Greek cuisine with views across the water. Later, follow the coast to Cape Sounion: the Temple of Poseidon above the sea and the sunset bring the day to a beautiful close. Lunch and dinner are paid separately.

01 / THE CITY

Light. Art. Serenity.
In the heart of Athens.

DAYS 4-11

Amanzoe: space for yourself

Seven nights among olive-covered hills

DAY 4

Into the olive-covered hills

On the journey to the Peloponnese, choose one stop: the Corinth Canal and its striking passage between rocky walls; Mycenae for an encounter with an ancient civilisation; or Nafplio, with its waterfront and old-town lanes. Amanzoe welcomes you with serene architectural lines and open vistas. Settle into your pavilion with its own pool and leave the rest of the day unplanned.

DAY 5

The art of an unhurried day

Breakfast, a swim in your own pool, a book on the terrace. There is no need to hurry today. Choose time at the spa or relaxation at the Amanzoe Beach Club. Let your mood shape the day.

DAY 6

Spetses: an aristocratic spirit

Set out by yacht for Spetses, an island of captains' mansions, horse-drawn carriages and maritime traditions. Explore the old harbour and quiet lanes, pausing for coffee on the waterfront. Its intimate atmosphere and elegant architecture reward a leisurely visit. Continue aboard your yacht with sheltered coves, swimming in clear water and time to unwind. Return to Amanzoe towards evening. The route and swimming stops depend on the weather and the captain's judgement.

DAY 7

A day by the sea

Spend the day at the Amanzoe Beach Club, swimming and relaxing beside the water. Back at the resort, enjoy the evening on your terrace or choose a spa treatment. Meals and additional services are paid separately.

02 / SPETSES

Maritime traditions.
The charm of the old harbour.

DAYS 4-11 / CONTINUED

Local flavours. Leisurely days.

Beauty worth taking time to discover

DAY 8

Epidaurus: harmony of space

Explore Epidaurus with a licensed guide. The ancient theatre, its proportions and surrounding landscape reveal the connection between architecture and nature. After time to look closely and wander at ease, return to Amanzoe for a free afternoon.

DAY 9

The freedom to leave a day unplanned

Stay beside your own pool, return to the sea or spend time at the spa. Linger over breakfast and enjoy the rare pleasure of letting the hours pass without watching the clock.

DAY 10

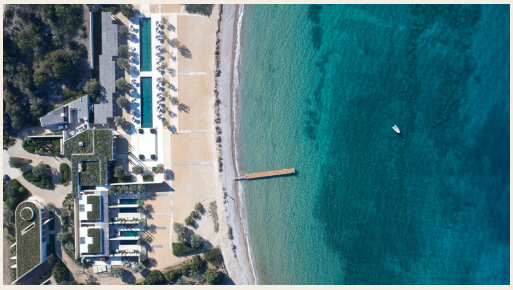

A taste of Argolida

Discover the region through its olive oil. An individually arranged tasting introduces different aromas, varieties and flavours, alongside local production traditions. Return for leisure time and your final evening at Amanzoe.

DAY 11

A graceful departure

After breakfast, travel comfortably to Athens Airport, with departure assistance. If you wish, replace the road transfer with a helicopter flight: coastal and island views from above become a final memory of the journey. This option is charged separately.

03 / THE SEA

Clear waters.
Unhurried days by the sea.

BEYOND SPETSES

Hydra

Extend your sea day with Hydra: a walk around the harbour and stone lanes, galleries and time at a waterside table. Combining Hydra with Spetses is subject to agreement with the captain; the route, duration and cruise price are revised accordingly.

A JOURNEY INTO HISTORY

Monemvasia

A separate excursion to the fortified town on a rock, for guests happy to devote a day to the journey and its medieval lanes. Arranged individually in place of one of the leisure days.

LOCAL FLAVOURS

A winery visit and tasting

Add a winery visit to Day 10 or choose a wine tasting instead of olive oil. The estate and experience are selected around your preferences and confirmed in advance.

AROUND THE TABLE

A cooking experience

A half-day with a local chef: regional ingredients, preparing dishes and the pleasure of sharing the result at the table. Available instead of the olive oil tasting or on one of the leisure days.

These options are not included in the base price. Any additions or substitutions, and the resulting price adjustment, are agreed in advance.
